

From the Desk of Your Lion's Club Flag Captain "We Serve"

February 2018

Dear Friends,

I am **Rod Heitschmidt, Lions' Club flag captain** for your street. I and my wife Sue, are responsible for setting out and picking up the American flags flown on 4 days/weekends each year. Flag days in 2018 are **Memorial Day** (May 28), **Flag Day** (June 14), **Independence Day** (July 4) and **Veterans Day** (November 11). Requested annual donation for this service is **\$35**. Make checks payable to the **Granbury Lions Club** and mail them to me. Please fill out the information form attached below completely as this information is critical for our providing you with the quality of service you should expect.

Some may ask, why support the flag program? There are numerous reasons but three of the most important are: **1)** we do the work for your enjoyment; **2)** it makes your street and neighborhood "shine"; and **3)** you are actively supporting a worthy, serving, community organization. For example, last year the Granbury Lions Club provided several college scholarships for Hood County graduating seniors, gave over 8,000 perfect attendance awards and over 150 gold dollar awards to Hood County elementary students, bought numerous eye glasses for needy students, and cooked many, many pancakes for Relay for Life, the Senior Center, and the Hood County Junior Livestock Association. Overall, your local Lions Club performed more than 20,000 hours of community service last year while contributing thousands of dollars to worthy causes.

So in closing, I say **thank you** to those of you who have traditionally participated in our flag program and I **invite** all of you who were not participants last year to consider joining your neighbors in this worthy cause. You won't be sorry you chose to join in "flying the flag".
